Scholarship applications are due when a camper registers and pays the \$100 deposit no later than May 1, 2017.

Applications will be reviewed by the scholarship committee. All applicants will be emailed a letter to the email address on this form notifying them of the status of their application and the balance owed on their account. Funds committed by other sources that have not been received in the Cale office will be included in the balance owed. If other groups are contributing toward this camper's account, please make sure that these funds will be received in Cale's office at least two weeks prior to check-in to allow adequate processing time.

Any balance remaining on camper account at check-in will be due in full at that time.

Scholarship acceptance/decline must be given to the camp by the date indicated on the letter. If acceptance is not returned to Cale by date indicated, these funds will no longer be available to the camper. As parent/guardian of this camper, I have read this form completely and understand that scholarships are not guaranteed. I understand that \$80 of my deposit can be returned to the giver if requested only under the following circumstances as long as I notify the camp by the date indicated on my scholarship letter: my camper was not awarded a scholarship and will not attend camp, or I did not accept the scholarship given and my camper will not attend camp. I understand that I must indicate acceptance of any scholarship offered by the date indicated for these funds to be awarded to my camper's account and that I am responsible to pay any balance owed on this camper's account no later than check-in of the camp session this camper attends. I also understand that scholarship funds will not cover snack shop purchases. **Scholarship funds are not transferrable.**
