Tetherball Rules

Objective: Wrap the tetherball completely around the pole.

- Tetherball is a two-person game.
- One person will hit the ball clockwise around the pole while the other person will hit the ball counter-clockwise.
- To start one person will serve.
- Ball can only be hit with hand or forearm
- Ball or rope cannot be held or caught
- When the rope has wrapped completely around the pole and can't be wrapped anymore, the match is over.
- Players must remain opposite of each other and cannot cross to the other side.
